 Courtroom 14A.

Dear Judge Berman:

We are attorneys for Rule B Defendant, Trans Power Co. Ltd. Pursuant to Your Honor's "individual practices" we respectfully request a pre-motion conference in respect of our proposed Supplemental Rule E motion seeking vacatur or reduction of the Rule B Attachment Order or, in the alternative, Rule E counter-security. We respectfully refer your Honor to Local Rule E.1 providing that "an adversary hearing following an arrest or attachment or garnishment ... shall be conducted by a judicial officer within 3 court days, unless otherwise ordered." At the conference we will request permission to re-file our Rule E motion, which was denied without prejudice for failure to request a pre-motion conference.

Respectfully submitted,

*Jeremy J.O. Harwood*
